VOLUME DISCOUNTS

Volume Discounts are offered to standard LTW customers on single purchases for listed quantities. These only apply to volume orders of a single product. For example, an order of four E2 Bases cannot be combined with an order of six E1 Bases to use the 2% Volume Discount for 10 units.

Units Purchased, Per Purchase	Discount Percentage
10 – 19 units	2%
20 – 29 units	4%
30 – 39 units	6%
40 – 49 units	8%
50 + units	10%

FREQUENT BUYER PROGRAM (FBP)

The Frequent Buyer Program is offered to standard LTW customers, on the agreement that the customer is highly certain they will sell a particular amount of LTW products within a given year. Progress towards the agreed-upon purchase goal is reviewed quarterly to assess the customer's success.

LTW reserves the right to change a customer's FBP discount amount if they so choose, at any point in a year. For example, if the customer does not show progress towards purchasing the agreed-upon product quantity at a progress review, LTW may choose to lower their discount percentage.

Units Purchased, Per Year	Discount Percentage
50 – 99 units	5%
100 – 599 units	10%
600 – 999 units	15%
1000 + units	20%
